

- MS Windows cihazlarda eduroam CAT uygulaması ile ağa bağlanma

- Tarayıcımızdan cat.eduroam.org sitesine giriyoruz. Eduroam yükleyiciyi indirmek için butona basıyoruz.

- Açılan ekranda üniversitemizi seçiyoruz.

- Yükleyiciyi indirmek için eduroam butonuna tıklıyoruz.

The screenshot shows the eduroam website interface. At the top, there is a navigation bar with links for 'Start page', 'About', 'Language', 'Help', 'Manage', and 'Terms of use'. Below this, the website title 'Tokat Gaziosmanpaşa Üniversitesi' is displayed. A message provides contact information: 'If you encounter problems, then you can obtain direct assistance from your organisation at: email: eduroam@gop.edu.tr, tel: 903562521616 - 1626'. A 'Download your installer for MS Windows 8 and newer' section features a large blue button labeled 'eduroam' and a smaller button with a 'i' icon. A 'Choose another installer to download' link is also present. The website includes logos for 'eduroam' and 'ULAKBİM'.

- İndirme tamamlandığında çalıştırıyoruz.

The screenshot shows the eduroam website interface with a download progress window open. The window displays the file name 'eduroam-W10-TGU.exe' and a 'Dosya aç' button. Below the window, the website content is visible, including the 'Tokat Gaziosmanpaşa Üniversitesi' title and a 'Welcome aboard the eduroam® user community!' message. The message states: 'Your download will start shortly. In case of problems with the automatic download please use this direct link.' It also includes a 'Dear user from Tokat Gaziosmanpaşa Üniversitesi,' and a welcome message: 'We would like to warmly welcome you among the several million users of eduroam®! From now on, you will be able to use internet access resources on thousands of universities, research centres and other places all over the globe. All of this completely free of charge!'. The message concludes with instructions on how to use the service and contact information for the helpdesk. A 'Back to downloads' link is provided at the bottom. The website includes logos for 'eduroam' and 'ULAKBİM'.

- İlk ekranı geçip ikinci ekranda kullanıcı adımızı ve parolamızı girdikten sonra kurulumu bitiriyoruz.
